Too Late For This Issue?

Then arrange NOW to have your name properly listed and your business classified and cross indexed in the next edition of the Newport Directory.

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put "We are listed in the directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly listed under all headings in the directory that describe it's product, is wise

COPYRIGHT, 1924 SAMPSON & MURDOCK CO., BOSTON, MASS.

(See also List of Summer Residents)

Giving the location of the Streets, Places, Parks, Squares, etc., and showing what other streets and places run from them, or across them, with the number at which they intersect

From this list, the location of any number on a street, or the location of any public building, can be easily ascertained; as, for instance, wishing to know at what part of Broadway No. 220 is located, you look at Broadway, and find that Gould Street runs from 202, and Park Street from 226, showing that 220 would come on the left, between Gould and Park Streets

When a street crosses another, numbers (or ciphers) are given on both sides; but when it begins or ends at that street, the number is given only on the side at which it intersects. Ciphers are used where no numbers exist

*Indicates streets accepted. **Indicates part of street accepted

GENERAL INFORMATION

Keys of the Fire Alarm Boxes are placed with the residents in the immediate vicinity of the several boxes, also with all the policemen, and in several locations a Key is hanging on the side of the Box. Citizens will please inform themselves where the Keys are kept—signs giving the required information being placed on the Box

Key holders upon positive information of a fire in their immediate vicinity (nearer to that box than any other), may unlock the box, and IF THE SMALL GONG IN THE BOX IS NOT STRIKING, may pull the hook down ONCE AND LET GO.

Key holders are instructed that a box must never be pulled for a fire seen at a distance, or their key intrusted to boys or irresponsible persons

Persons giving an alarm are requested to remain at the box until the arrival of apparatus and then direct them to the locality of the fire

One stroke on the alarm bells, or two strokes, with an interval between them, indicates that the alarm is being tested

Two strokes preceding the pulling of any box will indicate that the box is pulled by the Chief Engineer to practice the department

The Chief Engineer will use the fire alarm to transmit his orders to the whole department or any detail thereof

DIRECTORY SERVICE

THE LIBRARY

Our Directory Library covers the United States and Canada. The latest book for every city of 25,000 population or more is there for the reference of business and professional men, together with over 1200 other Town and City and Trade Directories. Single reference to any of these books may be made without charge.

SALE OF DIRECTORIES

May we help you keep your Library up-to-date?

Through one account, at this office, you can secure all Directories upon publication at the list price.

You may place a standing order for every book, the last edition of which you need always on file, and be assured the copy will be received promptly. You may check up your Library through us, finding the date of the present edition of any Directory and when the new book will be from press.

S & M MAILING LISTS

From our Library information, which includes a fund of valuable data, in addition to the very complete file of Directories, concerns all over the country are having us build Mailing Lists according to their particular need for merchandising their product or service, or their by-product in a larger territory or to a new class of buyers.

Some Lists compiled are for the complete classification in a given territory—as *every* Retail Grocer in states east of the Mississippi River; while others are for PREFERRED PROSPECTS—as a List of Retail Grocers rated $10,000 and over. This List would number about 9,000 as against 150,000 names in the complete listing.

Write for the Mailing List Data Sheet which is a convenient form for making inquiry regarding a List to meet your requirements.
